Artvin'de HES'ler protesto edildi

14 July 2010

Karadeniz İsyandır Platformu üyeleri, Artvin'de yaptıkları basın açıklamasıyla, hidroelektrik santrallerini (HES) protesto etti.

Halkevi Caddesi'nde toplanan grup adına açıklama yapan platform üyesi Çiğdem Bayrak, son dönemlerde Karadeniz'de artan HES ve baraj projelerine karşı Karadenizlinin artık sessiz kalmadığını belirterek, "Karadenizli isyanda, Karadeniz direniyor. Her vadiden, her dereден, yaşamlarını ve yaşam alanlarını savunmaya, savaşa, halkın haklarına, vatanlarına" dedi. Sıkıştırılan solumun da, suyun, tarlaların...

Hopa'da HES'in toplantısı protesto edildi

Artvin'in Hopa ilçesi'nde yapılması planlanan HES için şirket yöneticileri tarafından yapılmak istenen 'bilgilendirme toplantısı', çevreciler ve Hopalılar tarafından protesto edilerek engellendi.

Karadeniz'in birçok vadisini tarumar eden HES'çiler, şimdi de Hopa'da boy gösterdi. Başta Rize olmak üzere Karadeniz'de koruma altında olan birçok vadiye yaşayan halk HES belasına karşı mücadelesine devam ederken, bu kez HES belası Hopa halkının kapısını çaldı.

Hopa'nın içme suyunun da karşılandığı Şellale Deresi üzerine yapılmak istenen Hidro Elektrik Santreli'ne (HES) karşı, Hopa Dereleri Koruma Platformu üyeleri ve Hopa sakinleri eylem yaptı.

tarafından kesildi. Jandarma görevlileri ile köylüler arasında tartışma yaşandı.

YOLDA OTURMA EYLEMİ

Jandarma'nın yürüyüşe izin vermemesi üzerine köylüler karayolunda oturma eylemine başladı. Bir süre karayolunda oturan köylüler daha sonra geri dönerek köy girişine doğru yürüyüşe geçti. Yolu kapatan köylülerle Jandarma komutanı arasında sert tartışmalar yaşandı. Ancak köylüler yolu açmadı. Köy girişinde bir süre daha oturma eylemi yapan grup saygı duruşu ve İstiklal Marşı'nın okunmasının ardından maden suyu kaynağının yanında toplandı.
